## THE FUTURE OF THE CAR

25 JUNE 2015 | 18:00-21:00

BDO, 55 BAKER STREET, LONDON W1U 7EU

Autonomous, electric, hydrogen, connected to the internet – these are some of the predictions for the cars we will be driving in 2020 & beyond. Join our debate.

### PANEL:

**Robert Llewellyn**, Writer and electric car enthusiast

**Quentin Wilson**, Broadcaster, campaigner & patron of The Hydrogen Trust

**Dr Andrew Atkins**, Chief Engineer Technology, Ricardo UK

**Iain Bomphray**, Materials Specialist, Williams F1

**MODERATOR: Tom Heap**, Broadcaster
