

Low Emission Cities Workshop

Best practice measures for increasing the take up of low pollution and carbon vehicles in cities

Low Emission Cities Workshop

Low Carbon Vehicle Partnership is hosting a free local authority workshop in partnership with Sheffield City Council to outline best practice measures for increasing the take up of low emission vehicles in cities focusing on gas vehicles and infrastructure. There will be an opportunity for networking with other local authorities and industry experts.

Wednesday 18th November: 9.30 – 2pm
Sheffield Council Town Hall, Reception Room B,
1st floor, Pinstone Street, Sheffield, S1 2HH
