

LowCVP Annual Conference, Thursday 30 June 2016
Here East, Queen Elizabeth Olympic Park, London E15 2GZ

The LowCVP Annual Conference 2016 '**A low carbon transport future: The UK capability to lead the way**' will be the leading low carbon transport conference of the year. Established as a key date in the calendar, this year we will be examining how the UK is placed to benefit from the low carbon transport opportunities of the future and how we can prepare for them.

Exhibition Package includes:

- Exhibition Stand (max: 3x2m) to be placed in the catering/networking area which will be used for registration and all catering during conference breaks or in the main Conference plenary room.
- 1 person manning the stand and attending the conference
- Branding/company name on Conference main web page and all marketing materials and on-the-day materials
- Thanks/mention from the Conference Chair prior to lunch break
- Logo and company/product description (200 words) in the delegate packs
- Logo and company description in the conference website (webpage for exhibitors) including logo and small description of your company/organisation (max 200 words)

Cost of the exhibition package: £950

Please note that stand and any branded material are to be provided by the exhibitors.

Packages can be altered to suit your own requirements but please consider that prices may change slightly depending on requests.

All prices exclude VAT.
